

Una nuova interpretazione dello spazio, apre le porte a un concetto di arredo modulare e multifunzionale. Tutti gli elementi sono pensati per essere versatili e per trasformare il tuo living in un vero ambiente multitasking in cui integrare elementi aggiuntivi che ne potenziano la funzionalità. Come nel caso dei pensili uso base, la cui superficie d'appoggio crea lo spazio adatto alla televisione e i moduli a giorno il luogo dei libri. Semplicità ed efficienza diventano le regole di uno stile esigente nella forma e nella sostanza.

A new interpretation of space opens the way to a modular, multifunctional furnishing concept.

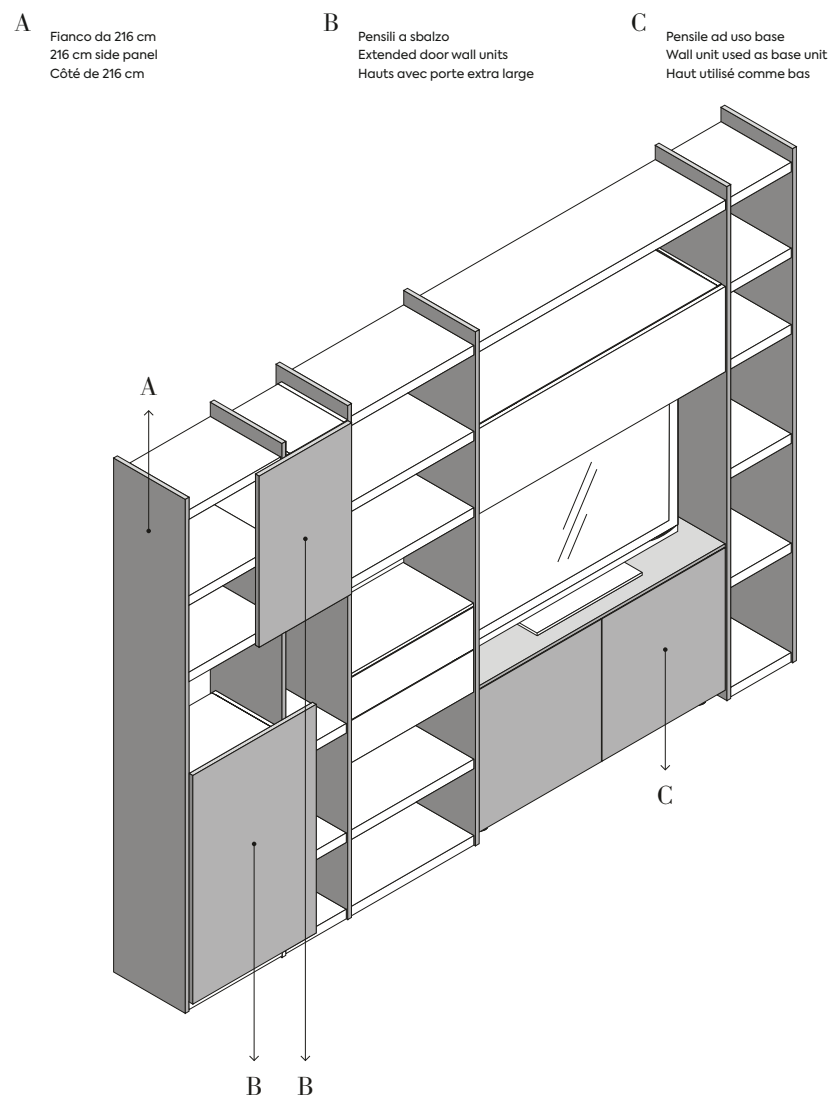

All the elements are designed to be versatile and transform your living area into a multitasking environment, able to take additional elements to enhance its functionality. Examples include the wall unit for use as a base unit, creating a surface to support a television, and the open modules to house books.

Simplicity and efficiency become the rules of a style with high standards in form and substance.

Une nouvelle interprétation de l'espace met en lumière un concept d'ameublement modulaire et polyvalent.

Tous les éléments sont conçus pour être polyvalents et pour transformer votre salon en un véritable espace multitâche pouvant accueillir des éléments supplémentaires qui améliorent la fonctionnalité. Comme les hauts utilisés comme bas, dont la surface d'appui crée un espace dédié à la télévision, et les modules ouverts qui peuvent accueillir les livres.

Simplicité et efficacité deviennent les règles d'un style exigeant sur la forme et le fond.
